

EJTN EXCHANGE PROGRAMME: CALL FOR APPLICATIONS FOR 2ND SEMESTER STUDY VISITS

Dear judges and prosecutors,

We hope this finds you well.

We are pleased to announce that EJTN has recently issued a 2nd call for applications for **study visits to be organized by EJTN in the 2nd semester 2021**.

As in the first semester, EJTN may accept candidates from Kosovo to the online study visits not involving any participation costs and if places are available. Online visits will be organised with **the European Court of Human Rights, the Court of Justice of the European Union, the EU Agency for Fundamental Rights and Eurojust**.

You will find in attachment the description of each study visit including the dates and target audience. Please note that the format of the visits organized with **the EU institutions** and **the Hague Conference for Private International Law** is yet to be confirmed. Judges/prosecutors of Kosovo may still apply in the event these study visits finally take place online. Should that not be the case, we will inform you in due course.

If there are interested judges/prosecutors/judicial trainers for the 2nd semester study visits, the Kosovo Justice Academy will add your applications in the list of the respective study visit (SV/ECtHR 2021; SV/CJEU/2021; SV/FRA/2021; SV/Eurojust/2021; SV/EU/2021; SV/HCCH/2021) in the Exchange Programme platform <https://exp-platform.ejtn.eu/ospe/activities> **until 2 July 2021, 18:00 for the September visits and 6 August 2021, 18:00 for the visits after September**.

The number of applicants per country that will be selected will be determined during the allocation process function of available places.

Best regards,

Kosovo Justice Academy
